

Message from the President

Dear Colleagues,

A quick recap on our past Spring Symposium. We had a great turn out, with nearly 50 attendees and 18 sponsor vendors. We modified the layout of our venue setup to accommodate our numerous sponsors and that provided more space for attendees. Have thoughts on the new layout? Your feedback is always appreciated! Just hit reply in the email.

As you may already know, our Summer CE is will be at TopGolf in Montebello on July 12. We're making this event free, so invite an optometrist who is not yet a AOA/COA/SGVOS member. Scroll down to see the flyer. See you there!

Sincerely,
Kenneth Cao, OD
